

After-Summit Survey

Thank you for registering for **Listen Learn Act: An Anti-Hate Community Summit** on May 19-20, 2021.

This survey is for **everyone who registered**, whether you were able to attend the full summit, attend parts, or not able to attend.

The summit planning committee greatly appreciates your willingness to share your input by completing this survey.

Purpose

The purpose of this survey is to:

- Learn what worked well and what wasn't as good, so we can host better events in the future
- Evaluate how well we met our goal to create an accessible space for discussion about hate
- Include your input in shaping some next steps in the community-wide response to hate

Use of Your Information

This survey is confidential and it does not ask any personally identifying information. You may share any personal information about yourself that you are comfortable with as you answer questions.

Your answers will be used by No Hate in the Hammer to evaluate the summit and for planning purposes.

If you provide a testimonial about your experience as an answer to a question, No Hate in the Hammer may use it in promotional materials and attribute it to "A Summit Participant". You may request that we do not use your answers in this way, or you may provide your full name and position if you give us permission to use both your testimonial and your name.

If you have concerns about the use of your information, you can contact us at info@nohateinthehammer.ca (mailto:info@nohateinthehammer.ca) or decline to complete the survey. We greatly accept feedback by email.

Optional Participation

Every question in the survey is optional and you can stop at any time.
